Competitive Team 2010-2011

"The mission of PEAK Swimming is to promote a nationally recognized swim program that nurtures and develops elite swimmers at all levels; emphasizing individual progress, team unity and family participation."

Dear swimmers and parents,

First and foremost, I would like to thank you for your interest in the PEAK Swimming Competitive Team for the 2010-2011 season. We are excited about our competitive program for our inaugural season, and I would like to take this opportunity to explain to you our team structure and selection process (outlined in detail on pages 4 to 7) as well as our team philosophy.

The PEAK Swimming Competitive Team is comprised of two elite teams, three age group teams and three fitness teams. Swimmers selected for our teams will receive training and competition at the most rigorous and demanding levels. We expect our swimmers to perform to the 'PEAK' of their potentials, and as such, we are particular in who we select. It ensures our swimmers have the opportunity to train and compete with the best swimmers around, but unfortunately, it also means not all swimmers who meet our minimum requirements will be selected. While the hard factors including time cuts are undeniable, we look beyond the numbers and seek out the soft factors not limited to talent, commitment and attitude.

Our goal is for our swimmers to swim fast, but we emphasize building strong and lasting relationships between our coaches, swimmers and parents. It is our hope that the swimmers and parents who we select will grow and mature from our age group teams to our elite teams. The two pillars we hold in the utmost regard are trust and respect. Our coaches are immensely committed to their swimmers and have a tremendous investment in their successes. It is our expectation that our swimmers and parents will be open and honest with our coaches in return.

Our small team sizes allow for our swimmers to receive individualized attention from our coaches. Because we believe no two swimmers are identical, our workouts are tailored to complement each individual swimmer, which our small team sizes allow us to do. Our approach focuses on all aspects that make a swimmer swim fast not limited to technique, strength and endurance. The speed will come as a result.

I look forward to reviewing your application. I look forward not only to welcoming you to the PEAK Swimming Competitive Team, but also to cultivating a strong and lasting relationship with you and your family for years to come!

Sincerely,

Abi Liu,
Head Coach

Abi Liu
Head Coach

Abi began swimming when she was 8 years old in a village in Southeastern China. Her first coach instilled in her the importance of technique, and as a result of the benefit she received from it, it has become the central focus of her coaching philosophy.

After winning the Junior National Championships at the age of 13, Abi was the youngest swimmer invited to Beijing to train with the Chinese National Team. Her discipline and dedication to the sport paid off, as she became one of the top swimmers in the world. She was a national

record holder in the 200 meter backstroke and won two National Championship titles, the 1993 FINA World Cup and a silver medal at the 1994 Asia Games.

As a coach, Abi believes in developing creative training methods that complement each individual swimmer, and encourages her swimmers to pursue their personal goals. Her swimmers have been recognized as both National and Pacific Age Group record holders and top 10s, Olympic Trial and National qualifiers, Junior National and Sectional finalists, Far Western and Junior Olympics champions and All-Americans and Central Coast Section champions. She has coached the USA Swimming Diversity Select Camp at the Olympic Training Center and the Western Zone and Pacific Coast All-Star teams.

Abi holds a BS in kinesiology and is interested in exercise physiology and the science of body movements. She was the recipient of the 2009 Pacific Swimming Age Group Coach of the Year award and is recognized as an American Swimming Coaches Association Level 5 coach.

Lynn Li
Head Age Group and Team Fit Coach

Lynn is an Olympic champion and has participated in four Olympic Games. She first came to the attention of the swimming world at the 1988 Olympic Games where she made the 200 IM and 400 IM finals. She went on to win the gold medal in the 200 IM and set a world record at the 1992 Olympic Games, where she also won the silver medals in the 200 breaststroke and in the 400 IM. She won the bronze medal in the 200 IM at the 1996 Olympic Games.

Lin became the first Chinese world champion in swimming when she captured the gold medals in the 200 IM and in the 400 IM at the 1991 FINA World Cup. As a result of her accomplishments in swimming, she was selected to run the first leg of the 2008 Olympic Torch Relay.

Lynn began her coaching career at the Taiwan Sports Institute in 1995. After she graduated from the Nanjing Sports Institute in 1997, she served as an age group coach for the Hong Kong Swim Team, and was later appointed the head coach of the Jiangsu Province Swim Team in 1999. Since her move to the bay area in 2001, she has served as a private coach to elite swimmers.

It is our goal to ensure our swimmers, parents and coaches are part of a competitive but congenial team atmosphere. It is our expectation that our swimmers, parents and coaches will behave in accordance with the guidelines below:

Please speak with your coach if you have any questions or concerns, they are there to listen and help!

We have a zero tolerance policy against such offensive behavior, and swimmers will be excused from the PEAK Swimming Competitive Team.

It is our expectation we will not have to take such measures, however, the final decision regarding enforcement of the Code of Conduct is at the discretion of the Head Coach.

I agree to behave in accordance with the Code of Conduct, and understand that should my behavior deter from the guidelines above, I will accept the consequences.
