## PEAK SWIM VOLUNTEER RESPONSIBILITY

Swimming requires strong dedication not only from the swimmers but also from the swimmer's parents. PEAK relies on and requires the active participation of parents in a variety of tasks.

### Job Duties:

1. Meet Officials – Also known as referees, are a vital part of any swim meet. Officials are responsible for keeping swim meets fair and accurate. If you are interested in becoming an official, please speak to your swimmer's coach.
2. Equipment Transportation – Usually the only equipment that requires transportation to and from swim meets is the shelters swimmers sit under during the meets. Bringing them to and from the meet is the responsibility of one or more families.
3. Timing – The most common way parents to help is by timing at swim meets. Timing is easy and simply requires you to push a button and/or record the time of the swimmer in your assigned lane.

Requirements: If your swimmer is attending a meet, you are required to help. Those who are not officials or bringing equipment to and from the swim meet, are required to help by timing swimmers. Timing sign-up is done via [www.uptous.com](http://www.uptous.com) where you have already been given an account.

### Timing Rules:

- You must sign-up for and time on each day your swimmer has entered an event (even if they are only swimming in one event that day).
- If you do not sign up, your coach will assign a slot for you to be a timer.
- You must notify the timing organizer and/or find a replacement if you cannot time.
- If you miss your assigned timing slot, you will be fined \$50 payable to your swimmer's coach.
